**PALISADES CENTER IS “WHERE COMMUNITY COMES TOGETHER”**

**WEST NYACK, N.Y.:** Giving back to the community is important to Palisades Center and one of the featured successes. Palisades Center is honored to partner with all non-profit organizations looking to benefit from the center, whether a tabling for fundraising or hosting large-scale events in our common areas. The doors are always open at Palisades!

“Palisades Center has been one of our most valued longstanding partners,” said Bill Baccaglino, President & CEO of The New York Foundling—one of New York City’s oldest and largest nonprofit organizations. “Their support provides us a means of hosting not only administrative meetings, but also core activities that bring life and joy to those that we work with as part of our developmental disabilities programming. We are thrilled to continue furthering this partnership and look forward to enjoying all the attractions the center has to offer.”

Palisades Center continues to promote their non-profit partnerships and created a dedicated, interactive graphic to showcase and to let guests know that “community comes together.” Learn more about the organizations by visiting <https://www.palisadescenter.com/palisedscares-where-community-comes-together/>.

“Giving back to the community is important to the Palisades Center team,” says Darrin Houseman, General Manager of Palisades Center. “Palisades Cares is our way of saying “thank you” to the local non-profit organizations throughout Clarkstown and Rockland County.”
