PROSHRED SECURITY ANNUAL SHRED CANCER EVENT
RETURNS TO PALISADES CENTER

WEST NYACK, N.Y. (October 2020): PROSHRED® Security, the world leader in on-site shredding services, will host their "Shred Cancer" event in the Palisades Center's parking Lot F, near The Cheesecake Factory, on Saturday, October 10 from 10am-1pm. Individuals can bring paper, file folders, hanging files, notepads and envelopes to PROSHRED Security's on-site shredding truck to safely and securely dispose of unwanted personal information.

Suggested monetary donations of \$5.00 or more will be collected during the event and donated to the American Institute for Cancer Research® (AICR). For the past seven years, PROSHRED Security has hosted AICR shredding events in various locations across the nation. Palisades Center is the only location in the New York Metropolitan-area hosting this event.

"With time, documents that are not being used or referred to like medical records, credit card statements and bills, will naturally begin to pile up in your home or office," said **Steve Rivalsi, Branch Manager Performance and Operations for PROSHRED Security**. "This can pose a serious security threat if not handled properly. The best way to prevent your personal information from falling into the wrong hands is through professional shredding. Attending PROSHRED's Shred Cancer event at Palisades Center is a great option for secure and fast document shredding."

"PROSHRED Security has been a great community partner for the past several years," said **Darrin Houseman, General Manager of Palisades Center**. "We are happy to provide space for them to help area residents safely declutter and raise donations for AICR."
