**WEST NYACK, N.Y. (February 2022):** We are very pleased that the State of New York and the surrounding region continue to make progress rebounding from the pandemic. Hats off to all those who have done their part in bringing the difficulties of the past two years closer to an end and to all of our guests who have been fully vaccinated.

In accordance with the State's decision to drop its indoor mask mandate for businesses, Palisades Center shoppers will no longer be required to wear a mask beginning Thursday, February 10th. Guests are reminded that individual venue rules may differ (some businesses may still require masks for everyone).

Palisades Center will continue to abide by all requirements to help ensure that our visitors enjoy the safest possible environment. For a list of the latest events, news and sales happening at Palisades Center, please visit [www.palisadescenter.com](http://www.palisadescenter.com).
