**TIMEMISSION ANNOUNCES NATIONAL EXPANSION STARTING  
AT PALISADES CENTER**

**WEST NYACK, N.Y. (September 2022):** TimeMission, known for its immersive, participatory, new challenge game concept launched in Rhode Island in 2021, will begin its national expansion at Palisades Center this fall. The 11,000-square-foot team challenge adventure will open on Level Three, next to the food court.

TimeMission will send you through 32 different portals into spaces where your team of 2-5 people collects skill points by completing challenges in less than 2-5 minutes. You may choose to only collect points or start a secret mission to unlock special bonus features and achievements. Choose portals that maximize your talents: intelligence, strength, coordination, and speed. Repeat (or abandon) rooms at any time to improve your score or find the next clues on your mission before your hourglass runs out, and you are returned to the present. Each portal transports you to the past or future in a fun, immersive experience.

"There's so much creativity in this gaming experience," said **John Purisima, General Manager of TimeMission Palisades Center**. "It's not anything like what you expect just

looking at it. It's way more fun than I can describe in words, whether you're competitive or not."

"TimeMission is a great addition to the entertainment lineup at Palisades Center, offering our guests a new experience at every visit," said **Darrin Houseman, General Manager of Palisades Center**. "We're looking forward to TimeMission's opening and are confident our guests will love this new concept."

Whether for corporate team building, entertaining clients, competing with your friends, bar mitzvah parties, or other group fun, TimeMission has so much variety that everyone can enjoy playing. Because it's time travel, you're never locked into your choices. Going back to a portal doesn't always mean the same outcome. You may even have mission components you receive at home.

The game evolves over time. Since TimeMission HQ can reprogram its portals, previously visited destinations may not be available when you return to play at Palisades Center. They might only then be accessed in other TimeMission cities, replaced by new spaces to explore.

Can you become a Master of All Time? (60/90/120-minute reservations)
